Dear Mr. Booker,

We hope this letter finds you well. Happy New Year to you and yours. We hope it hasn't been too difficult to get back into the swing of things after the holidays!

Thanks for detailed response to our last letter. The information provided is all extremely helpful to us. We have one or two more things we would like to address.

As you know, one of the decisions we are tasked with making is deciding whether to rent a warehouse or build one on-site. We are aware that there a few different options available, but given that operating costs depend on the warehouse, we would like to be more specific.

If possible, could we get detailed quotes for the warehouses that match the following:

- Within 5 miles of the factory (the closer the better).
- No larger than 15m x 30m.
- Please include all costs (security, electricity, dehumidification) in the quotes

If there are any other criteria you would like to clarify please do not hesitate to reach out to us at any point.

Thank you for your time. We eagerly await your response.

Yours Sincerely,

Team 5
