Dear Ms. Power,

We hope this email finds you well, our analysis of the contract is going very well.

It is not stipulated in the initial contract how often Power Printing would receive payment from Pulp Novels (should the contract be accepted), would you be able to give us an estimate for the frequency of payment and what the payment would cover.

We would greatly appreciate advice on the matter mentioned above. If you require further clarification on our query, please don't hesitate to ask.

Yours sincerely,
