Dear Mr. Whitbread,

Happy New Year to you and yours! We hope it hasn't been too difficult to settle back into things after the holiday period. Just a couple of quick questions for you.

Firstly, would it be possible to get a range of values for the dimensions of the books? The list of weights you gave us previously were very helpful, and we were wondering if you had similar information on length, width and height of the books. This is important as we began to draw up storage plans for Power Printing.

Secondly, in the contract proposal it states that Pulp will supply the covers to power. Just to clarify; our understanding is that these covers will be delivered as Pulp place an order for a specific title. Is this correct?

Thanks for your time. We eagerly anticipate your reply.

Yours Sincerely,

Team 5
