Dear Mr. Packenham,
We hope this letter finds you well. Happy New Year to you and yours. We hope it hasn't been too difficult to get back into the swing of things after the holidays!

We had one question regarding the forklifts that will be used in the warehouse. How much space is required for the forklift to navigate the warehouse? Is there a recommended width for the corridors and pathways?

Also, is there any additional space required for the forklift to turn?

Thank you, we eagerly await your response.

Yours Sincerely,

Team 5
