Dear Mr. Typesetter,

Thank you for your recent correspondence in relation to the Pulp Novels contract. We look forward to meeting with you again in the near future.

When reviewing our notes from our meeting on October 24th 2017, we have recorded that a printer at Power Printing can work no more than 39 hours a week. Could you please clarify whether this is a Union restriction or a preference by the management at Power Printing.

Yours sincerely,
